Get the Green Book online!

It's available free-of-charge by visiting
<http://greenbook.usjersey.com>

The Green Book is the most complete reference anywhere for Jersey genetic information—male or female.

It includes rankings of Active A.I. sires, young sires and all bulls with production and type proofs. As well, the summary includes rankings of the top female GJPI, JPI rankings and the top polled female list.

The Green Book online is updated monthly each time a new genetic summary is released.

You can still receive a hard copy version of the Green Book, published in with three times a year, January, April and August, for \$20 (in the U.S.) by calling 614/861-3636 extension 4457.
